

Privacy Policy - Altoview Public Portal

This Privacy Policy applies to the services offered by Campbell Scientific Australia Pty Ltd (the Company) for the Altoview public portal (<http://members.altoview.com/>).

1. Personal information:

The Company is committed to safeguarding personal privacy. It recognises that individuals have a right to control how their personal information is collected and used. Providing personal information is an act of trust and it is taken seriously. Unless given consent to do otherwise, we will only collect and use personal information as set out below.

2. Collecting personal information:

The Company will not collect or monitor any personal information about an individual without their consent. The only personal information collected is what has been provided voluntarily, such as the information required for registration to the Altoview members portal.

3. Use of tracking technologies:

The Company uses tracking technologies such as cookies or web beacons to make use of the website and services offered as convenient as possible. Cookies are pieces of information that a web site transfers to a computer's hard disk for record keeping purposes. Cookies do not contain software programs, so cannot install anything on a computer. Most web browsers are set to accept tracking technologies such as cookies or web beacons.

4. Data you upload to Altoview:

By uploading data to the Altoview public portal, you are giving consent for this data to be made available to any valid user on the Altoview public portal.

5. Using and disclosing your personal information:

Personal Information will be used for the following primary purpose:

- To fulfil obligations, where they exist, under any sale and purchase contract and/or any other contract between the individual and the Company.
- To render services related to the Company's business such as warranty or after sales services.

Any personal information you provide will not be shared with other companies either in Australia or overseas.

6. Contact by the Company:

The Company may contact individuals using the information which was provided by them in order to:

- Provide information that may be of interest about upgrades or new features added to the Altoview service, special offers and other matters that may be of interest.
- To advise of issues relating to the use of Altoview
- To send newsletters.

7. Individual's right of access:

Individuals have the right to review their personal information that may be recorded on the Company's database. Information may be reviewed by contacting the Company in writing using the address provided below.

8. The Company and links to other web sites:

The Altoview public portal provides the option for users to login to Altoview via their Facebook or Google accounts. These linked sites are not under the control of the Company, and the Company is not responsible for the conduct of companies linked to the Company web site, nor for the performance or otherwise of any content and/or software contained in such external websites.

9. Problems or queries:

Queries relating to the Privacy Policy, or any problems may be directed to the Company using the contact details below.

If you have objections to this Privacy Policy, you should not access or use Altoview.
